

綠色力量 GREEN POWER THE 19TH
環島行慈善行山比賽
 GREEN POWER HIKE FOR A GREEN FUTURE

17 October 2011

Dear Sir / Madam,

Come and Join The 19th Green Power Hike in 2012

You may be aware that **Green Power Hike** is the largest charitable walkathon on Hong Kong Island. Each spring, thousands of participants sweat for a green cause. This annual walkathon aims to inspire the public to treasure our natural environment as well as raise funds for Green Power to implement free-of-charge environmental education programmes in local community and schools.

The **ICT Cup** was launched in last year's event for the information and communications technology fraternity, and the Cup was held in great success. Last year, 15 teams from 9 companies took proud strides to conquer Hong Kong Trail for community benefits. The Hike is not only a chance for building up healthy lifestyle for staff, but also a morale booster which enhances both staff cohesion and company image.

On **14 January 2012**, **Green Power Hike** will mark its 19th anniversary. We sincerely invite your company to participate in the **ICT Cup**. There is a choice of 50km, 25km and 10km routes. If you have one or more teams that wish to participate, we expect that each team donates at least HK\$12,000 to support our environmental education works. All participating companies will receive substantial acknowledgement in the post-event newspaper supplements.

Your participation is definitely valuable to us. For reservation and enquiries, please feel free to contact Ms. Jessica Lai at 3961 0219. You may also visit www.greenpower.org.hk or refer to the enclosed entry forms and posters for more details. We look forward to your favourable response.

Yours faithfully,

Stephen Lau (Ir.)
 President
