

**Security Analyst**  
**Digital Transformation Division**  
**Ref: DTD270/20, 1064/HKCS/070921**

## **Job Description**

Who we are looking for:

- Creativity in new ideas and future focus vision.
- Collaboration with colleagues and the community at large.
- Work Smart, Play Smart!

### **What you'll do:**

- Participate as a member of HKCERT team
- Perform cyber threat monitoring and issue security alerts
- Provide security incident response service to Internet users and local enterprises
- Promote cyber security awareness to Internet user and local sectors, e.g. issue security guideline, deliver talks or seminars
- Perform system integration and support for internal systems
- Conduct study on emerging security threat and defense trends specializing in application security and threat intelligence
- Assist Consultant to monitor the progress of service and project delivery

### **You'll be a good fit if you have/are:**

- Bachelor degree in computer science or information security related disciplines with at least 2 years of relevant working experience
- Candidates with less experience but passionate in cyber security are also welcome; Professional training opportunities will be provided
- Experience in system integration and/or development on applications with client/server architecture etc.
- Experience in programming and Linux shell script (e.g. Python, PHP, ASP.NET, HTML, JavaScript, css, SQL)
- Experience in broad spectrum of information security areas (e.g. web, mobile, cloud, IoT, secure development, data analytics etc.) preferred
- Certification in information security , e.g. CISSP, CISA, CISM, CEH, OSCP, etc is an advantage but not a must
- Good interpersonal, presentation and communication skills
- Mature, self-motivated, analytical and a good problem solver. Able to work under pressure
- Good command of English and Chinese

### **Note:**

***Applicant may be considered for other positions if not matching the requirements of the subject position.***

**What we offer and What you'll like here:**

- Innovative and energetic culture with smart outfits & sport shoes
- Professional lab and latest technology to actualize your creative ideas
- 5-day work week
- Prime location with good public transport network
- MPF Top-up & dental benefit
- Medical benefits from Day-1 with extended coverage to dependent(s)
- Professional training and career advancement opportunities

**Apply now if you're ready to take the challenge! Do not miss this opportunity to join us to Create Value and "MAKE SMART SMARTER"!**

HKPC will take into consideration both the quantitative and qualitative requirements of the post when selecting the suitable candidates. A competitive salary package commensurate with academic qualifications and experience will be offered. The successful candidates will be employed on a fixed-term contract basis, which is renewable subject to appointee's performance and the Council's development needs.

Applicants are welcome to submit application at the HKPC e-Recruitment System ([careers.hkpc.org](http://careers.hkpc.org)) in 1 week from the posting date. Recruitment will continue until the position is filled.

Personal data collected will be used for recruitment purpose only. Candidates not invited for interviews within 6 weeks may consider their applications unsuccessful and the applications will be disposed by HKPC within 12 months.
