

Analyst, Cyber Security

Digital Transformation Division

Ref: DTD295/21, 4065/HKCS/151221

Job Description

Who we are looking for:

- Creativity in new ideas and future focus vision.
- Collaboration with colleagues and the community at large.
- Work Smart, Play Smart!

What you'll do:

- Participate in HKCERT services including security incident response, security monitoring and early warning service to Internet users and local enterprises
- Participate in security assessments consultancy project using standard tools and methodologies
- Conduct study project on emerging security trends, latest attack and defence methodologies
- Communicate with clients and external parties to deliver IT security related services
- Handle ad-hoc projects and assignments

You'll be a good fit if you have/are:

- Bachelor Degree in Computer Science or related disciplines, with 2-year relevant working experience. Candidates with less experience but passionate in cyber security are also welcome; professional training opportunities will be provided.
- Hands-on experience in security research or implementation of system, network and/or security infrastructure and support
- Holder of information security professional certificate (such as CISSP, CISA) is an advantage
- Customer-oriented, good interpersonal, presentation and communication skills; able to communicate technical issues to both technical and layman stakeholders
- Mature, self-motivated and analytical; able to work under pressure
- Good command of English and Chinese, Putonghua an advantage

Note:

Applicant may be considered for other positions if not matching the requirements of the subject position.

What we offer and What you'll like here:

- Innovative and energetic culture with smart outfits & sport shoes
- Professional lab and latest technology to actualize your creative ideas
- 5-day work week
- Prime location with good public transport network
- MPF Top-up & dental benefit
- Medical benefits from Day-1 with extended coverage to dependent(s)
- Professional training and career advancement opportunities

Apply now if you're ready to take the challenge! Do not miss this opportunity to join us to Create Value and "MAKE SMART SMARTER"!

HKPC will take into consideration both the quantitative and qualitative requirements of the post when selecting the suitable candidates. A competitive salary package commensurate with academic qualifications and experience will be offered.

Applicants are welcome to submit application at the HKPC e-Recruitment System (careers.hkpc.org) in 1 week from the posting date. Recruitment will continue until the position is filled.

Personal data collected will be used for recruitment purpose only. Candidates not invited for interviews within 6 weeks may consider their applications unsuccessful and the applications will be disposed by HKPC within 12 months.
