Ref: DWS489/21, 5202/HKCS/040122

Job Description

Who we are looking for:

- Creativity in new ideas and future focus vision.
- Collaboration with colleagues and the community at large.
- Work Smart, Play Smart!

What you'll do:

- Provide technical advice, lead and actively participate in technical evaluation or new initiative study including hybrid cloud and IT security solutions such as Cloud infrastructure and service e.g. AWS/Azure/Alibaba Landing Zone, AI, IoT, virtual desktop on Cloud, etc. and support with HKPC's data center
- Manage Cloud platforms including AWS, Azure, web hosting, and execute full system life cycle on technologies such as Microsoft domain infrastructure, cloud security and O365
- Manage IT security systems including Cloudflare, Firewall, VPN and Intrusion Prevention system
- Monitor IT systems and plan for changes and technology roadmap/upgrade
- Manage service providers in project planning, implementation and on-going support, prepare project documents and train junior staff and vendors to provide implementation support
- Act as escalation point for trouble shooting and issue resolution
- Handle ad-hoc projects and assignments

You'll be a good fit if you have/are:

- Bachelor degree or above in Computer Science, Information System or related discipline
- At least 8 years' experience in relevant experience in IT System administration or equivalent
- Solid experience in cloud platform management, network, firewall, Windows Server, VMWare vSphere, virtual desktop, AWS, Azure and Microsoft on-premises AD domain infrastructure
- Good knowledge in project management, system operation, Machine Learning, IoT, Microsoft solutions, Government Cloud Infrastructure Services (GCIS) and IT security audit
- CCNA, AWS, Azure, Linux, Microsoft, CISSP, ITIL or other IT certification a plus
- Possess strong problem solving and trouble-shooting skill
- Good team player with excellent communication skills
- Mature, self-motivated, multi-tasking, able to work independently and under pressure
- Good command of English and Chinese, and Putonghua

Note:

Applicant may be considered for other positions if not matching the requirements of the subject position.

What we offer and What you'll like here:

- Innovative and energetic culture with smart outfits and sport shoes
- Professional lab and latest technology to actualize your creative ideas
- 5-day work week
- Prime location with good public transport network
- MPF Top-up and dental benefit
- Medical benefits from Day-1 with extended coverage to dependent(s)
- Professional training and career advancement opportunities

Apply now if you're ready to take the challenge! Do not miss this opportunity to join us to Create Value and "MAKE SMART SMARTER"!

HKPC will take into consideration both the quantitative and qualitative requirements of the position when selecting the suitable candidates. A competitive salary package commensurate with academic qualifications and experience will be offered.

Applicants are welcome to submit application at the HKPC e-Recruitment System (careers.hkpc.org) in 1 week from the posting date. Recruitment will continue until the position is filled.

Personal data collected will be used for recruitment purpose only. Candidates not invited for interviews within 6 weeks may consider their applications unsuccessful and the applications will be disposed by HKPC within 12 months.
