

**Assistant Computer Officer (Network Services) (Ref: 2201197)
Office of the Chief Information Officer**

The Office of the Chief Information Officer (<https://www.eduhk.hk/ocio>) provides quality services to support all central information systems in support of teaching, learning, research and administration and places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the post.

The appointee will be assigned to the Network Services Team and will mainly be responsible for (a) managing security services (e.g. Firewalls, Intruder Protection System, Multiple Factor Authentication (MFA), Network Access Control (NAC), etc.); (b) carrying out computing programming (e.g. JAVA) for self-developed Identity Management System (IDM); (c) supporting various Directory services (e.g. Active Directory, eDirectory, Open LDAP, etc.); (d) developing and managing various network services (e.g. wired and wireless networks, DNS, DHCP, RADIUS, etc.); and (e) assisting in maintenance of the University's Private Cloud environment. The appointee will be required to work shifts on Saturdays.

Applicants should have a recognized Bachelor's Degree in Information Technology or related disciplines with preferably three years of relevant full-time post-qualification working experience gained in a sizeable IT environment.

Applicants should have good knowledge and solid hands-on experience on operating system security, wired/wireless network security, data centre security, LDAP, MFA and JAVA programming. Applicants with good knowledge in Windows and Linux servers, routers and switches, common network and authentication protocols such as SNMP, TCP/IP, SAML, Kerberos and VMware are advantageous. They should be proficient in English and Chinese; able to handle multiple tasks simultaneously, work proactively and independently. They should also have good problem-solving, analytical and interpersonal skills and be a good team player.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV on or before **29 November 2022**. Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
