

Computer Officer (Ref: 2300948) Office of the Chief Information Officer

The Office of the Chief Information Officer (<https://www.eduhk.hk/ocio>) provides quality services to support all central information systems in support of teaching, learning, research and administration and places emphasis on staff's career/professional development. The Office is looking for quality professionals to fill the post of Computer Officer.

The appointee will be assigned to the application development team and responsible for collaborating with a small team for user requirements gathering, vendor management, system design, development, testing, documentation and maintenance of the central information systems (mainly finance, HR and student affairs related). The appointment will be for a period of 2 years with the possibility of renewal subject to mutual agreement.

Applicants should have a recognized Bachelor's degree in Information Technology or related disciplines with preferably six years of relevant full-time post-qualification working experience gained in a sizeable IT environment. They are expected to have solid experience and knowledge in web application development with backend technology (including Java/J2EE, Spring Boot running on JBOSS EAP, SQL, PL/SQL), frontend technology (including VueJS, ReactJS, jQuery, Ajax, HTML5) and responsive UI tools and JavaScript library (including Google Material Design, Bootstrap). Prior experience in Oracle RDBMS & ERP applications (finance & HRMS) will be an advantage. They should be proficient in English and Chinese; able to handle multiple tasks simultaneously, and work proactively and independently. They should also have good problem-solving, analytical and interpersonal skills and be a good team player.

Applicants who have responded to the previous advertisement (Ref: 2300875) for the same position are under consideration and need not re-apply.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include the University's Voluntary Contributions to MPF Scheme or a contract-end lump sum payment (totaling up to 10% of the basic salary), leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 23 August 2023, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes.
