

Mr. Bruce Lam

Managing Director, CSL Mobile Limited

Vice Chairman, Communications Association of Hong Kong Ltd.

Mr. Bruce Lam is the Managing Director of the CSL Mobile Limited.

He holds more than 30 years' experience in telecommunications and joined HKT in 2011. He is responsible for the overall strategic planning and corporate decisions in HKT's wireless business, with key focus in sales and marketing performance. Under his watch, CSL now commands the largest market share in Hong Kong's telecommunications industry, and maintains HKT's leadership in the Hong Kong 5G development.

In order to give back to society, Bruce also serves in a number of organizations and institutions, contributing his knowledge and experience to different communities.
